

## 2020-2021 SEASON

Centennial Boys Basketball Boosters  
1941 California Avenue #77871  
Corona CA, 92877

Dear Sponsor:

The Centennial Boys Basketball Program focuses on Academic Achievement, Community Development on and off the court; and building character that produces responsible, educated, and caring young men. Many of our players develop strong relationships that endure throughout adulthood. We have strong Alumni that believe in giving back by returning to our program to mentor players and teach workouts or drills learned in College and in the NBA to enhance the skill set of our team.

Success is measured by edifying each other, exemplifying teamwork and avoiding selfishness. Fundraising programs are designed to help build community relationships and Local business awareness as another means to demonstrate the necessity to give back. Parents and team members support Sponsors to show our care for the Community.

Overall, this program is designed to teach life skills to young men, some of whom are without guardianship for various reasons. It is our goal to not leave a single kid behind in program participation due to monetary reasons and to provide guiding principles in decision making on and off the court. For the past 18 years, Head Coach Josh Giles, has accomplished 18 league Championships, 13 MVPs, 2007 CIF Championship and 40+ College Scholarships.

We hope you find our program worthy of your support either through a monetary or product donation. Thank you for your time and consideration. Please checkout our website at [www.coronacentennialboysbball.org](http://www.coronacentennialboysbball.org) or for any questions please email [cen10hoopzz@gmail.com](mailto:cen10hoopzz@gmail.com).

Warm Regards,

Centennial Boys Basketball Boosters

***We appreciate your support and donation!***
