Centennial High School has established many proud Academic and Athletic traditions over the past 28 years. One of our greatest achievements is the development of a consistently successful Boys Basketball program and 2018 promises to be another successful Campaign.

The Centennial Boys Basketball staff, led by Head Coach Josh Giles is dedicated towards Academic Excellence and Athletic Achievement. Under Coach Giles leadership Centennial High School has become one of Southern California's Premiere High School Boys Basketball Programs, playing the best opponents possible on an annual basis.

The 2018 Boys Basketball schedule is one of our most aggressive ever and includes a playoff division that is arguably the toughest in the entire nation. We are excited to face the challenges ahead this season working hard to meet the demands of our non-league and BIG VIII League schedules.

Here at Centennial, we are proud to provide you with a student athlete in our Boys Basketball program that embodies the CIF principles "Victory with Honor". It is our hope that you will find the Centennial Boys Basketball program exciting and inspiring as we go through this season.

Thank you for your support of our Boys Basketball Program and enjoy what promises to be another exciting Season and GO HUSKIES!
